# PRESIDENT'S MESSAGE

## President's Message

By Carolyn Latz

Dear BOND Members and Friends:

This winter has been an experience in strength and change for our wonderful organization.

Thank goodness for the phones, transportation service, programs, book groups, luncheon & dinners, parties (Chanukah), games (bridge & Quirkle): ALL keeping us together. Since I have been out of town, we have embarked on a new format with which to run BOND (Acting President). I believe it has worked so well because all of our activities have interested us. The time, the energy, the ideas, and most importantly, the work people put into executing all the details has been fantastic. None of this could have happened unless you all pitched in. Thank you so much for working together!!

I would especially like to thank Saralee Mogilner for conducting the board meetings and Bev London for keeping track of what we are doing. The Board's move to a new location was a big change.

Thank you Fern Badzin for letting us store our supplies in your garage during this transition. A lot of members pitched in this winter and I really appreciate it. Yes, it did take a village of BOND members to make it all work.

BOND is now going into it's busiest season and our Spring/Summer activities will begin with New Programming, an exciting informative late April Fund Raiser and our Spring May Luncheon and Installation. I look forward to seeing you at these events. As you all know, I like socializing with everyone!!!

Please support our organization's activities, as that enables BOND to continue it's wonderful philanthropy.

## BOOK AUTHOR EVENT

We will be at Beth El Tuesday evening and The Oakridge Country Club on Wednesday for coffee, rolls and lunch. The authors have been selected and will be announced at a later date in our Invitation. Our selection committee has done an outstanding job and I know you all will be pleased with the fabulous lineup for 2018.

Let me know if you want to help with our Program, AdBook or Luncheon. We will be meeting on Monday, April 23 if you would like to join us.

Looking forward to a very successful program to raise money for our BOND Scholarship Fund and provide a terrific literary experience for our members and their guests. Contact Nettie at 952.546.6970

## Intelligence Gathering and Covert Action of the FBI and CIA

By Maraline Slovut, VP Fund Raising

BOND's first Fundraiser of 2018 will be held on Friday, April 27th and it's a most exciting, not to be missed event.

Our two guest speakers will provide us with their intriguing perspective into the FBI and the CIA. The structure and missions of these organizations and how they do their jobs. Two different sides of the same coin. They will also share with us how they rose to their high level position in two male dominated organizations.

Deborah Pierce is a retired FBI special Agent with 27 years of experience in conducting and managing criminal and terrorism investigations. Before retiring, Deborah was Deputy Assistant Director of the criminal division of the Federal Bureau of Investigation.

Patti Weber is a retired CIA officer who spent 31 years in the CIA's National Clandestine Service where she was an officer engaged in the collection of intelligence and Covert Action. She recruited spies who provided valuable intelligence to national policy makers. Before retiring, Patti was Chief of Policy for the NCS. Both Deborah & Patti retain their top secret clearances.

Please support BOND, enjoy delicious treats and learn about these interesting FBI and CIA stories at 1:00 pm at The Lurie Bldg at 2501 Wayzata Boulevard, Minneapolis. Guests welcome. Reservation form enclosed.

## Philanthropy and Community Service Highlighting Current Gifts

By Sheila Goldstein

A letter came to me, thanking BOND on behalf of the Jewish Family Service of St. Paul's board, staff and clients for our donation of \$8,000 to be used for scholarships that will help their clients to receive professional training that they need to pursue employment opportunities.

JFS also want to thank BOND members for their support of the B'Yachad holiday gift program led by Rhoda Redleaf. More than 180 families received gifts due to our contributing, wrapping and delivering these much appreciated items.

Jewish Family and Children Service of Minneapolis requested a donation toward purchasing food for their Hag Sameach Passover baskets. The BOND board authorized a grant of \$300 toward that cause.

BOND members have had a great winter of giving. Helping others is what we do and we can be very proud.

## Early Childhood Appreciation

Hello Rhoda -

I am a Early Childhood Parent and Children's Educator in Robbinsdale Areas Schools at the New Hope Learning Center and would like to share with you some wonderful feedback shared with me by a parent (Mom) who is in my Preschool Parenting group of children 3-4 years of age.

This particular Mom is also in another class that I teach with her other daughter who is 9 months old.

Yesterday in the preschool Parenting group I passed out the "Bedtime Kits" and shared ways the parents could use the visual interactive chart as a useful way to engage their child in their learning and understanding of their bedtime routine.

The parents were all quite thankful and pleased to receive such a helpful tool.

Today when this Mom attended my morning class with her baby she pulled me aside and told me how much her preschool daughter "loved her chart and woke up this morning with ideas of what she wanted to add to the chart". The Mom also shared that her daughter told her she was excited to go to bed tonight so she could use her chart again.

Thank you so very much for the wonderful work that you and the wonderful woman you serve alongside of do to support the families in our community and our ECFE program.

We appreciate you all!

Kind Regards,  
Cindy Burch
